Appeal From the Following Funding Commitment Decision Letters

(1)	Form 471 Application Number:	423380
	Funding Year 2004:	07/01/2004-06/30/2005
	Billed Entity Number:	129478
	FRN	1168568
	Date of Funding Denial Notice:	December 3, 2004

(2) Form 471 Application Number: 423397
Funding Year 2004: 07/01/2004-06/30/2005
Billed Entity Number: 129478
FRN 1168641
Date of Funding Denial Notice: December 3, 2004

SLD's Reason for Funding Denial

On Both Applications the SLD denied funding on the basis of "insufficient documentation."

Statement in Support of Appeal

This appeal relates to two funding commitment denials: (1) Form 471 Application No. 423380 (FRN 1168568) which was denied funding for having provided "insufficient documentation" as indicated in the Funding Commitment Decision Letter dated December 3, 2004 and (2) Form 471 Application No. 423397 (FRN 1168641) which was denied funding in the Funding Commitment Decision dated December 3, 2004 stating "the shared discount was corrected. Applicant has not provided sufficient documentation to determine the eligibility of this item."

1. Applicant provided sufficient documentation to support its request for services in Form 471 Application No. 423380 (FRN 1168568)

Applicant submitted all documentation that was requested by SLD personnel during the application and Program Integrity Assurance (PIA) processes. (See Exhibit "A"). A review of the record reveals that Applicant's Form 471 No. 423380 (Exhibit "B") contained all required information and attachments necessary to support its funding request for internal connections. On or about November 1, 2004 Applicant submitted the final documentation requested by the auditor during the PIA process and received no further requests for

additional information or documentation. The record of correspondence and communication between the SLD and East Cleveland supports East Cleveland's position that all requested documentation was timely provided to the SLD and was sufficiently detailed to support its requests for funding (See attached Exhibits A, B and C). The SLD committed reversal error when it denied funding on this application for the reason "Applicant has not provided sufficient documentation to determine the eligibility of this item."

The supporting documentation attached hereto as Exhibits A, B, and C substantiates the District's entitlement to the funding requested in its Form 471 (FRN 1168568). Based on the 471 Application, the documentation attached thereto and the documentation provided during the PIA process, the SLD committed reversal error when it denied funding to East Cleveland School District on its Application for the reason that insufficient documentation was provided.¹

2. Applicant provided sufficient documentation to support its request for services in Form 471 Application No. 423397 (FRN 1168641)

The Funding Commitment Decision dated December 3, 2004 denied funding for Form 471 Application No. 423397 (FRN 1168641) stating "the shared discount was corrected. Applicant has not provided sufficient documentation to determine the eligibility of this item."

A review of the record reveals that Applicant's Form 471 No. 423397 (FRN 1168641) (Exhibit "D") contained all required information and necessary attachments in support of its request for internal connections funding. Further, Applicant submitted all documentation requested by SLD personnel during the application and Program Integrity Assurance (PIA) processes. (See Exhibit "B"). On or about November 1, 2004 Applicant submitted the final documentation requested by the auditor during the PIA process and received no further

requests for additional information or documentation. The record of correspondence and communication between the SLD and East Cleveland supports East Cleveland's position that all requested documentation was timely provided to the SLD and was sufficiently detailed to support its requests for funding (See attached Exhibits B, C and D).

The record of correspondence also substantiates Applicant's entitlement to a 90% shared discount percentage (See Exhibit B). Applicant believes that the SLD modified the shared discount to accurately reflect the correct percentage contained in Applicant's 471 Application No. 423380, but reserves the right to assert its claim in this regard in the event the adjustment was an inaccurate reflection of the free and reduced data calculated in accordance with the FCC's Form 471 instructions.

Conclusion

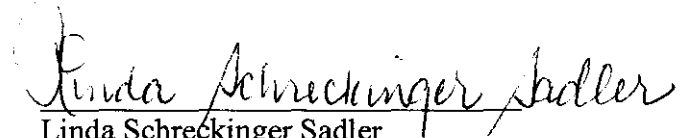

Since all requested information and documentation was provided to the SLD within prescribed time period(s), and the documentation fully supports East Cleveland's funding requests for internal connections, the SLD committed reversible error when it denied funding on Application No. 423380 (FRN 1168568) and Application No. 423397 (FRN 1168641) on the bases "Applicant has not provided sufficient documentation to determine the eligibility of this item."

¹ With the exception of the Affidavit marked Exhibit A, the documents attached to this Appeal were either provided to the SLD during the Program Integrity Assurance (PIA) process or available to the SLD through East Cleveland's filings with the SLD. The copies of the documents and records included herein are attached to facilitate and expedite the appeal process.

Applicant hereby requests:

1. That this matter be acted upon within 90 days or less of the filing date of this appeal;
2. That the FCC order funding for all FRN's set forth herein.
3. That funds be set aside to totally fund the District's request.

Respectfully submitted,

STATE OF OHIO)

Now comes JOY HOWARD, being first duly sworn deposes and states:

1. I am employed by the East Cleveland School District, located in East Cleveland, Ohio.
2. My duties included filing the district's eRate applications for Funding Year July 1, 2004- June 30, 2005.
3. I am the contact person for Form 471 Application Nos. 423380 (FRN 1168568) and 423397 (FRN 1168641).
4. In April 2004 I was notified that there would be a Program Integrity Assurance ("PIA") review of both applications.
5. On or about October 19, 2004 I received written request from Mr. Co (the auditor assigned to our review) allowing me seven (7) days to provide him with further information and/or documentation relative to both of our Applications.
6. I was unable to comply with the request by the October 26 deadline, so I called him requesting a 7-day extension, which he granted.
7. On November 1, 2004, prior to the expiration of the 7-day extension period, I faxed him a spreadsheet with the requested information/documentation.
8. On or about that same date, I called Mr. Co to confirm his receipt of said fax; I failed to reach him and left a message.
9. A day or so later, Mr. Co left me a voicemail indicating that the totals on the spreadsheet didn't match up correctly with the data contained on the spreadsheet.

10. The discrepancy Mr. Co referenced in his voicemail was actually a mathematical error on his part in which he incorrectly added the subtotal figures as part of the data.
11. I returned his call the same day I received his message. In our conversation, he confirmed receipt of the fax containing the requested documentation. I advised him that the data on the spreadsheet did in fact add up to the correct totals.
12. He told me that he was unable to recheck his math because he had already sent the applications to the "next level" for further processing.
13. The applications were sent to the next level before I could point out that he committed a mathematical error; that the totals on the spreadsheet matched perfectly to the numbers.
14. I always provided Mr. Co and prior auditors with all requested information and always did so in a timely manner.
15. At no time after receiving the requested information/documentation did Mr. Co, or any other auditor, request further information from our school district, yet funding was denied on both Applications because of "insufficient documentation."
16. In a letter to Mr. Co dated September 2, 2004, relative to Application No. 423397 (FRN 1168641) a copy of which is attached hereto as Exhibit "1", I requested correction of the discount rate to 90% for all 8 buildings.
17. The Funding Commitment Letter dated December 3, 2004 relative to Application No. 423397 indicates that "the shared discount was corrected."

18. I believe and rely on the SLD to have modified its prior findings and corrected all records to reflect the change of all eight (8) buildings to the proper discount rate of 90%.
19. After I faxed the spreadsheet to Mr. Co, neither he, nor any person from the SLD, requested further information or documentation from our District.
20. Since all requested documentation was provided within the allotted time period(s) and all information contained therein was accurate and supported the applications, the Funding Commitment Letters incorrectly denied funding of both applications.

FURTHER AFFIANT SAYETH NAUGHT.
